UPCOMING HOLIDAYS

The Studio will be closed in accordance with the public school schedule on Tuesday November 3rd for the Election. Thanksgiving Holidays will be November 23 - November 27. Classes will resume on Monday November 30th.

ARRIVAL + DISMISSAL REMINDERS

- Please **DO NOT** drop off your dancer more than 10 minutes before the start of their class.
- As stated in our October newsletter, the transition period has ended, and parents of our tiny dancers will **NOT** be allowed to enter the studio starting November 1st.
- Only dancers, faculty and staff will be allowed in the studio starting November 1st until COVID restrictions have been lifted.
- You should begin lining up in the dismissal line no more than 5 minutes before your dancers class ends. We have had a problem with people lining up in the dismissal line immediately after they drop off their dancer for the start of their class. This causes unnecessary traffic jams and slows down the dismissal process. From now on anyone doing this will be asked to move their vehicle.

COSTUMES

Please remember that costumes will be purchased through our Costume website which can be accessed from WWW.DANCECONNECTIONLLC.COM. As soon as costumes are selected you will receive your class worksheet with detailed instructions on how to purchase costumes online. The deadline for costume orders will be November 30, 2020, so please plan accordingly as we do not collect costume deposits. Payments will be due in full to purchase your costume. Costume costs average between \$75.00- \$90.00 per costume. This is an approximate cost which is subject to change based on costume company price increases. Costumes will not be ordered until they are PAID FOR IN FULL.

COSTUME SIZING/ MEASUREMENTS

We have started measuring all students for their costumes. Please remember that costumes are not tailor made to fit each individual. They are factory made. Costumes are also non-returnable unless it is a manufacturer defect. You will receive a class worksheet for each recital class your child is registered for, with the costume items that you are required to purchase. Your class worksheet will include your child's measurements (or you may measure your child on your own), along with instructions on how to place your order. Worksheets will also include a "suggested size" based on the measurements that we took in class. You will need to select the size costume you wish to order, then check out to place your order. The costume order deadline is November 30, 2020.
