WATCH WEEK

Parents are invited to view all classes the week of 11/14 - 11/17. Parents of our younger dancers will be allowed to watch weekly (curtains will be open) until we begin revue preparation in January/February. This is at the discretion of the faculty who may close the curtains if they feel the dancers are too distracted while the curtains are open.

COSTUMES

Please remember that costumes will be purchased through our Costume website which can be accessed from WWW.DANCECONNECTIONLLC.COM. The deadline for costume orders was on November 4, 2022. Payments are due in full to purchase your costume. Costume costs average between \$80.00- \$95.00 per costume. This is an approximate cost which is subject to change based on costume company price increases. Costumes will not be ordered until they are PAID FOR IN FULL. **Costume prices have already increased for those who did not order by the November 4th deadline and will increase again on November 19th.**

COSTUME SIZING/ MEASUREMENTS

All students should have received their measurements. Please remember that costumes are not tailor made to fit each individual. They are factory made. Costumes are also non-returnable unless it is a manufacturer defect. You should have received a class worksheet for each recital class your child is registered for, with the costume items that you are required to purchase. Your class worksheet will include your child's measurements (or you may measure your child on your own), along with instructions on how to place your order. Worksheets will also include a "suggested size" based on the measurements that we took in class. You will need to select the size costume you wish to order, then check out to place your order. The costume order deadline was November 4, 2022.
