

TDC Costume Manager

All costumes will be purchased through our Costume Manager website. The costume order deadline is NOVEMBER 30TH. You will be required to purchase the costumes selected for your child's class(es). All combination classes (ie. Tap/Ballet or Tap/Jazz) will perform two dances in the recital; therefore, you will be required to purchase two different costumes for those classes. If your child participates in any additional classes, you will need to purchase the additional costumes for each class. Tumbling classes and Stretch, Jumps and Turns are non-recital classes. Those classes will not perform in the recital, so you will not need to purchase a costume for those classes.
